## Coronavirus Kit for Restaurants

Get ready-made designs to promote your takeout services, safety practices, meal specials and more with the [Coronavirus Response Kit for Restaurants](#). Provided by Must Have Menus, an online design company, the Kit offers hundreds of templates for takeout and delivery menus that can be printed or shared online. It also includes flyers and social posts to help restaurants encourage orders and keep an upbeat connection with the community. The Kit offers best practices for those that are new to takeout or social media.
